

Skufuss, Lord of Tarlanor, Greetings to

- Gorfang Deathdrinker, former Governor of Lossal;
- Méabh, Sorceress of the Tarlanor Mageguild;
- Lynien Savanoth, Guilded Tradesman of Lossal and former government servant;
- Eloy Brackensen, Guilded Tradesman of Lossal and former government servant;

Insofar as you have well served my realm during the recent unrest and removal of the former Governor Bardrum, your grant of citizenship and freedom of Tarlanor is hereby confirmed, along with sundry other grants and rewards previously awarded by the current Governor.

As well as desiring to meet you and express my gratitude, I have urgent need to converse with you on another matter, one that touches us both, to - I hope - our mutual advantage.

Please therefore present yourselves before my throne in Vorsand as swiftly as may be arranged.

Skufuss, of the Kin
Lord of Dragons
Lord of Tarlanor
